

Subject: Reseller Authorization

To : Whom It may concern

This is to affirm that Critical Power Battery Solutions, a division of Advanced Technical Services, with corporate headquarters located in Glendale Heights, IL, is an authorized reseller in good standing with Stryten Energy Essential Power Batteries. ATS and thier subsideraries are authorized to promote, market and sell the complete Stryten, Essential Power battery line, including Absolyte, Flooded Classic, AGM batteries, Battery Chargers and accessories.

If you have any questions regarding this please contact my office.

Regards,

Eric Nordhoff
